

PARENT INSTRUCTIONS

DIPLOMA PRESENTATIONS - YOUR TIME

We will follow the order of the graduate's names as listed in the Program Bulletin.

After calling up the first family, 2 sets of parents should cue up on either side of the stage area whichever is most convenient. You should cue up while the diplomas are being presented.

Your names will be announced at which time you will proceed onto the stage. You will meet your graduate at center stage and give the diploma to them. Take time to pose for a picture with your graduate.

A professional photographer will be taking pictures for you. However, you may also have a family member or friend come forward and take a picture.

Move off the platform and find your way back to your seat.

WE LOOK FORWARD TO ENJOYING THIS MOMENT
WITH YOUR GRADUATE AND FAMILY. THANK YOU!!
